The sprawling town of Lourdes has been one of the world's most important pilgrimage sites since 1858, when 14-year-old Bernadette Soubirous (1844-1879) is said to have been visited 18 times by the Virgin Mary in a rocky grotto.

Now known as the Sanctuaries of Our Lady of Lourdes, the cave is considered one of the holiest sites in Christianity. More than six million people arrive at Lourdes each year in the hope of being healed by the holy waters.

The esplanade of the Rosary - dominated by the neo-Byzantine Basilica of Our Lady, the crypt and the Basilica of the Immaculate Conception -, the famous Miraculous Grotto where the Virgin Mary appeared 18 times, the underground Basilica of St. Pius X, the space of St. Bernadette and the Way of the Cross with its 15 stations are some of the highlights of the religious city. A place with a very special spiritual and mystical atmosphere...

In Lourdes, you can also visit the fortified castle which dominates the town. Inside the fortress, a Pyrenean museum houses collections of objects and art relating to the history of the Pyrenees. From the ramparts of the castle, there is a beautiful view of the town, the sanctuaries and the Pyrenees.
